COVID-19 Active Screening Questionnaire

This will be updated as the CDC Information on COVID-19 continues to change. Your health and well-being are of the utmost importance and we are taking measures to keep the facility/club a safe environment for all of our DSSC families.

We will have a player check in process to clear all players allowing them to participate in the activities. Parents will need to check their players in at the club office.

1. Waiver and Questionnaire will need to be completed and handed in prior to participating.
2. Player's temperature will be taken and recorded each day on site. A temperature of 100.4 (F) or higher will result in the child not being allowed to participate.
3. Once cleared player will be given a ticket to provide to their coach, as proof of receiving the green light to participate.
4. Parents will then be dismissed to go sit in their vehicle as only players and coaches will be allowed to be on the fields.

Have you or anyone in your immediate family been diagnosed with COVID-19 within the last 14 days?

- Yes
 No

Have you or anyone in your immediate family had close contact with or cared for someone diagnosed with COVID-19 within the last 14 days?

- Yes
 No

Within the last 14-days, have you or anyone in your immediate family experienced new muscle aches that you cannot attribute to another health condition or a specific activity such as physical exercise?

- Yes
 No

Within the last 14-days, has your player had a temperature at or above 100.4 (F) or the sense of having a fever?

- Yes
 No

*If the individual answers YES to any of the questions they will not be allowed into the facility/fields unless determined otherwise by a designated medical professional.
